Meetings and Recent Activities :

1. YEt Another Hackathon

Number in Attendance: 45

Cost of General Admission: 0

Cost to Chapter: 0

Abstract: 'YEAH', YEt Another Hackathon is a 6 day hackathon organized by Point Blank and ACM-W DSCE Chapter. This is an opportunity to showcase your technical skills among students across the country! Ideate, create, and pitch the ideas you always wanted to build and get them validated by peers and experts from the industry. Our goal is to create an environment for students to network, learn, develop, and create amazing stuff.

Start: 20-Jul-2021 End: 26-Jul-2021

2. ADVAITH

Number in Attendance: 1050

Cost of General Admission: 0

Cost to Chapter: 0

Abstract: ACM-W DSCE in collaboration with Point Blank, had organised a virtual technical fest. The fest lasted 6 days , starting from 20th July of 2021 to 26th July 2021 with a participation number of around 1050 from across India and Dayananda Sagar Campuses. The event had several sponsors including Coding Ninjas and Devfolio. There were a total of five events along with speaker sessions on different domains of the computer science field. There were events which were exclusive to Dayananda Sagar Students and only the hackathon was available to everyone across India. The hackathon YEAH(Yet Another Hackathon) which was conducted from 20th July to 26th July was the main event in the tech fest and open to any student across India. The participants built projects of different types and categories. Some went for specific tracks and some for open tracks as well. Events like Design Wars, Technical writing , Coding Marathon, Capture the flag were exclusive to students who only belonged to the Dayananda Sagar

College Campus. These challenged the participants in several ways. The closing Ceremony was conducted on 26th July 2021 and by 29th July all the certificates for winners were distributed.

Start: 20-Jul-2021 End: 26-Jul-2021

3. Webinar on ABC's of Web Development and Leveraging GitHub
